Long Valley Fire Department would like to thank your Fire Department for the help you provided during the January 10th structure fire in Cromberg. Without your help, it would have been difficult for our department to handle this incident. Getting up in the middle of the night to aid another department is commendable. All of your hard work allowed the fire to be confined to the one structure and prevented it from spreading to the home next door. The owner of the home was most appreciative of all the hard work from all of the firefighters who responded.

All of this was done safely and makes us proud to be part of the Plumas County Fire Service. Thank you again for your mutual aid assistance.

A handwritten signature in green ink, which appears to read "L. W. Sternberg", is written over the typed name and title.

Lawrence Sternberg

Fire Chief – Long Valley VFD
